

The Ozaukee County Fair is bringing back our promotion **Taste of the Ozaukee County Fair**.

- Each food vendor can submit one item for the Taste of the Fair.
- During the fair, we will encourage the public to go to the various booths to purchase **Taste of the Fair** items
- The public will be able to vote online for their favorite item.
- The winner will get a Plaque from the Ozaukee County Fair, that you can proudly display at all of your fair and festival events.

What I Should Submit

- For our first year, we are planning on two categories, "Sweet" and "Savory"
 - Please let us know which category you would like your entry in
- If possible, please submit a photo with your entry – then we can use that in our advertising and on our website for voting
- We also would like to promote this with local and regional news, so we will promote your stand for you – and your yummy food!

How the Votes will be Counted

- We will ask you to put QR Codes by your stand (provided by the fair) – so the public can link directly to our website for voting.
- At the end of the fair, we will tally the votes and send out your plaque.
- We also plan on providing results overall to each vendor so they can plan for the next year.
- When a fair patron votes, they will submit their name, contact information and entry – by voting they will be eligible for a \$25 Visa Gift Card if their entry wins.
 - Example – Jimmy Smith votes best savory for John Concession's "Classic Corn Dog". The Classic Corn Dog wins – so we will look at everyone who voted for the Classic Corn Dog, put their names in a hat, and at random, choose a winner for a Gift Card that will be sent out.
