ANIMAL EXHIBITOR CODE OF ETHICS

Exhibitors of animals at livestock, poultry, and small animal shows shall at all times conduct themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and integrity to promote the advancement of agricultural education. This code applies to 4-H as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at the Ozaukee County Fair.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- To exhibit animals, a 4-H youth must be in at least 3rd grade during the most recent school year.
- ALL animal exhibitors must comply with the [Animal Health Regulations for Fairs and Shows in Wisconsin](#).
- Premise ID numbers will be required for all animal entries (except rabbits). [Premise IDs](#) are available through this link or the WI Dept. of Agriculture website, Animals Tab.
- 4-H youth exhibitors are expected to care for and groom their own animals while at the Ozaukee County Fair.
- Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owners, exhibitor, for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing.
- Any surgical procedure or injection of any foreign substance or drug which could affect the animal's performance or alter its natural contour, confirmation, or appearance, is prohibited. Exceptions will be made for external applications of substances to the hoofs or horns of animals which affect appearance only and for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal.
- All Health and Registration papers for animals must be presented to the superintendent before animals are unloaded.
- All animals must pass health regulations of the fair.
- Control of Animals – Livestock exhibitors must be able to bring animals into the show ring to be handled and judged by the judge. Any animal not under control will be removed from the fairgrounds at the discretion of the Fair Board and the Dept. Superintendent.
- Exhibitors are responsible for keeping animal stalls/pens clean, and for cleaning up manure from their animal any time it is out of the barn.
- All bedding must be supplied by the exhibitor.
- All feed must be supplied and fed by the exhibitor (except rabbits and poultry).
- The only individuals allowed in the show ring during judging of all animals will be the exhibitor and individuals wearing a badge with the wording "LIVESTOCK OFFICIAL". These officials will be determined by the Dept. Superintendent. Any other individual in the show ring during judging will result in disciplinary action.
- All dairy and meat project animals must be shown by the 4-H member who is exhibiting the animal.
 - In the event a substitute show person is needed for the second market animal in a weight class or for youth excused for illness or participating in a 4-H award trip, the substitute **must** be a currently enrolled Ozaukee County 4-H member of comparable grade/age.
 - The Dept. superintendent must be notified of any substitutes before judging begins.
 - The Dept. superintendents have authorization for the above listed decisions.
 - The Livestock Association acts in an advisory capacity when called on for the beef, sheep, and swine projects.
- 4-H Small Animal Sale rules are available from members of the 4-H Small Animal Sale Committee.
- 4-H Livestock Sale rules are available from the 4-H Livestock Association.
- The Fair Board reserves the right to ear tag any livestock entered at the fair.
- **For release times refer to [Judging Schedule](#) located online.**
- Any requests for late arrivals or early departures of animals to/from county fair, must be presented to the Ozaukee County Ag. Society, before the July meeting.
- After 8:00 p.m. the Agricultural Society is not responsible for exhibits left on the fairgrounds.

Violations of the above Code of Ethics are subject to consequences deemed appropriate by the
Ozaukee County Agricultural Society.

OVERNIGHT PASSES

For security reasons, the Fair Board discourages 4-Hers from staying overnight. Overnight stays are not a sanctioned 4-H activity and the 4-H program does not provide chaperones.

The Fair provides Security Guards to patrol the grounds during the overnight hours. Therefore, youth or adults who plan to stay on the grounds between 11:00 p.m. and 6:00 a.m. will need to obtain an overnight pass. All 4-H fair exhibitors, even if over the age of 18, are considered as youth and will need to follow the procedures and requirements for a youth pass.

Overnight passes for youth will be issued only to people **exhibiting livestock** and needing to stay at the fair. (Friends or others will not be eligible for overnight passes) Rules concerning chaperones and designated areas will be enforced.

Adults and/or youth wishing to obtain an overnight pass must fill out the authorization form from the Fair Office. A complete listing of the Rules and Regulations are printed with the form. These forms must be turned in to the Fair Office **no later than noon on Wednesday** of the fair. **Eligibility can then be verified with the 4-H Office**, and name tags will be printed. The name tags must be picked up at the Fair Office before 8:00 p.m. on the night you plan to stay.

OVERNIGHT RULES

These rules will be strictly enforced:

- ONLY the following exhibitors and their adult chaperones may stay on grounds.
 - Beef, Swine, Dairy in Show Arena.
 - Sheep/Goat in Sheep Barn.
 - Horse exhibitors in camping area.
 - All participants must stay in their designated areas.
- NO ONE staying in Show Arena will be allowed in barns at any time.
- Participant must turn in overnight authorization form to the Fair Office.
- Both parent and chaperone signatures are required on the form.
- Chaperone must be 21 years of age.
- Forms are due Noon on Wednesday of fair week.
- Both the youth AND chaperone must appear in person at the Fair Office to obtain overnight pass by 8:00 p.m. on the day they are staying overnight.
- Barns will be secured at 12 a.m. (midnight) and building checked throughout the night.
- Unauthorized persons after hours will be referred to authorities and parents notified.
- In the event there is a need for an emergency stay, the Barn Superintendent and a Fair Board Director must approve it.

Any questions, please contact Ozaukee County Agricultural Society Fair Secretary.
